6:06pm	Teachers' Report	Hilary D	n/a
Outcome: MCT: Enjoyed workshops and were fabulous very engaging and interactive with the kiddos. Maybe too intensive doing it all in one week. The kids are wiped out and often teachers need to adjust homework. Mostly affecting older kids - and kids who are already challenged in working in a timely manner have an even bigger challenge. Don't want theater to go away just perhaps change the style of the show in 2013.			
Action: Request for \$200 for CISPUS. Anon donor from years past is not giving. Motion to fund: Motion - Michele; Second - Trudy. Unanimously passed. 5th Grade has also volunteered to run the cake walk for the Carnival.		Hilary D

6:30pm	Missoula Childrens' Theater - Post Mortum	April	
Outcome: Postives & Negatives were discussed during Teacher s' Report. Overall, it was challending this year due to the timeing with the long holiday break and the week off because of the snow storm.			
Action: April, Audrey & Trudy will start a committee to find a new theater group to use in 2013 and not use MCT. Looking for other parents to help organize. Trudy		April
